PRESENTS

WINTER SNOWSHOE AND ANIMAL TRACKING

Saturday, January 30th at 9:00am

The Nature Walks Conservation Society is hosting this beautiful winter nature walk which will be led by lifelong naturalist & conservation advocate Mark Fraser (host of Nature Walks, seen on PBS). The walk will examine wildlife signs and tracks in the snow (if there is any). Birds and mammals of winter are often seen during this walk, so bring the family along for an easy paced outdoor experience.

The walk is free and open to all ages. No registration is required.
